

Amarillo Independent School District

BEHAVIOR INTERVENTION PLAN

(Using the information from the FBA Summary, complete the following to develop behavioral interventions)

Student Name: _____ **Date:** _____

Target Behaviors that are of most concern (state in observable terms, using action verbs):

A. _____

B. _____

C. _____

Plan / Intervention

Develop a Plan

A. Prevention: How will situations be changed that seem to be associated with the behavior? (Link to FBA, antecedence, behavior, consequences)

B. Teach: What other behavior or skill will be taught to the student so he/she can accomplish his/her purpose in a more acceptable way?

C. Response: How will people respond when the problem behavior occurs so that their response does not reinforce the inappropriate behavior?

Target Behavior A: _____

Method	Who is Responsible	How Often	Method for Monitoring progress
Prevention:	All staff	Daily- as needed	
Teach:	All staff	Daily- as needed	
Response:	All staff	Daily- as needed	

Target Behavior B: _____

Method	Who is Responsible	How Often	Method for Monitoring progress
Prevention:	All staff	Daily- as needed	
Teach:	All staff	Daily- as needed	
Response:	All staff	Daily- as needed	

Target Behavior C: _____

Method:	Who is Responsible	How Often	Method for Monitoring progress
Prevention:	All staff	Daily- as needed	
Teach:	All staff	Daily- as needed	
Response:	All staff	Daily- as needed	

Target Behavior D (Crisis Response Plan): _____

Plan:

* Behavior not specifically targeted above will be addressed in the regular student code of conduct.

Reconsidering the Behavior Intervention Plan

Student Name: _____

Review Date: _____

At this point, evaluate the implementation and effectiveness of the plan.

Has everyone been able to follow the plan that was written...

For Prevention: _____

For Teaching: _____

For Responding: _____

For Crisis Response: _____

Do you feel that the theory about the purpose of the behavior was correct? _____

What positive changes have you seen? _____

What areas of the plan need to be continued? _____

What areas of the plan need to be changed? _____
